The weekend's program is designed to offer you a chance to experience St. Augustine's most unique historic sites evident today in Spanish Colonial architecture, the urban plan, landscape and archaeological sites led by those that have helped steward its preservation. This event overlaps the regular quarterly meeting of the Florida Trust Board of Trustees who you will meet along the tour. The finale: a scenic boat cruise of the city's harbor!

We have something for you whether this is your first visit or you are a repeat visitor. Let us show you a piece of our nation's storied past in the authentic cultural history of St. Augustine!
